Re: Nextel of New York, Inc. and Sprint Spectrum L.P. v. The Village of Sleepy Hollow, et al. (08 CIV 0951)

Honorable Sir:

The undersigned represents the Village of Sleepy Hollow Board of Trustees and the individual Trustees in their official capacity. My clients were served on January 30, 2008 with the summons and complaint in the above referenced matter. The purpose of this correspondence is to request a thirty (30) day extension of time in which to answer from February 20, 2008 to March 21, 2008. During the adjourned period of time it is our intention to engage in meaningful settlement discussions between the respective parties. We believe that this is a matter that is capable of resolution. There have been no previous requests for extensions of time.

We have requested such adjournment from our adversary but he has not consented on request of his client.
